PROFESSIONAL SUMMARY

A graduate of Penn State University's Master of Architecture program, currently practicing as an Architectural Associate in Pennsylvania looking to finalize the accumulation of AXP hours in preparation for becoming a registered architect. An organized and detail-oriented person with a strong interest in the combination of sustainability and architectural assembly, as well as an appreciation for various building typologies with considerable knowledge in all phases of the project process ranging from conceptual design to construction administration.

PROFFESIONAL EXPERIENCE

- RLPS ARCHITECTS: 05/2025 - PRESENT ARCHITECTURAL ASSOCIATE

- Manage the design, development, and documentation of the resident levels of a 12-story independent living building from SD's through construction.
- Participate in design exercises ranging from apartment combinations to large-scale master planning studies in the senior living market.
- Attend owner, design, and coordination meetings with project teams and clients.
- Participate in OAC meetings for ongoing construction projects.
- Co-manage the internship program including hiring and staffing of interns.

- ARCHER & BUCHANAN INTERNSHIP: 05/2023 - 08/2024

- Communicate design ideas to the client with computer aided drawings & images.
- Assist the firm in establishing a more organized and robust Revit library.
- Manage small projects from the start of survey through design development.

- RLPS ARCHITECTS INTERNSHIP: 05/2021 - 01/2023

- Assist design group in master planning exercises.
- Assist project teams in various phases of projects, including SD's, DD's and CD's.
- Travel to various sites to conduct feasibility studies and assist in the creation of long-term renovation and addition plans for existing schools.
- Assist CA team with construction observation reports.

- PENN STATE UNIVERSITY

RESEARCH ASSISTANT: 01/2023 - 12/2023

- Conduct preliminary research with the Hamer Center focusing on social sustainability and its impacts on environmental and economic sustainability.

TEACHING ASSISTANT: 01/2024 - 05/2025

- Assist students in the third-year undergraduate integrated design studio as well as the Stuckeman School's model shop.
